Dear Friends at IOLS,

IOLS made such a difference to the lives of so many of our Friends in Need this Christmas. When Kerri first approached us offering Christmas presents for the children of our needy clients, we had no idea of the scope of the generosity we would be experiencing. Our Vincentians members were amazed as they picked up the gifts provided by IOLS and delivered them to the families, who would have had a much different Christmas had it not been for all of you at IOLS. Some of the Moms and Dads of these children cried, so overwhelmed were they with happiness for the Christmas their children would be having because of you.

We offer our deepest gratitude.
